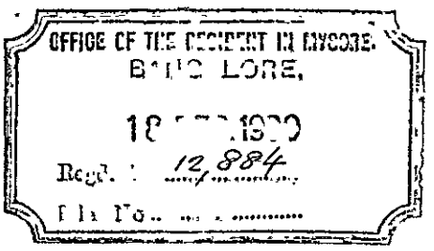
The Hon'ble Col. Burke,
Resident in Mysore

Bishop Cotton Girls' School,
Bangalore.

Dated 15th Dec. 1930.

To

The Governors of the
Bishop Cotton Schools,
Bangalore.



Gentlemen,

I wish to bring to your notice our urgent need of two additional class rooms in the Girls' School.

1. A Science Laboratory. At present we teach no science. This is a great handicap to our girls when they go to College. We wish to encourage girls to continue their studies in college: It is desirable that students who wish to become teachers, should have higher educational qualifications than that provided by the High School course. Mr. Edmonds, the Inspector of Schools in Bangalore is urging this teaching of science.

2. A class room for Standard III. The present room was built for about 12 pupils: we have always over twenty there. This year there were 25 and I expect an equal number next year.

We have no lunch room for the teachers: this present St. III class room would make an excellent lunch room, if it were free.

We have saved a small sum towards these rooms and I have applied for a Government grant. If we get the grant, I am confident that either the Indian Church Aid Association or the European Schools Improvement Association will help us.

Success in this undertaking will mean a great deal to this school. I am sure that I may rely upon your sympathy and assistance.

Estimated Cost Rs. 7000.

Yours faithfully,

Annie Jones

OFFICE OF THE RESIDENT IN MYSORE. BANGALORE. - 6 MAR. 1931 Regd. No. 2340

Dated the 5th March, 19 31

From

F.F.C. Edmonds, Esq., M.A., B.Sc.,

Inspector of Schools, Coorg & Bangalore.

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

I have the honour to enclose herewith an application from the Correspondent, Bishop Cotton Boys' High school, Bangalore, for a grant towards the construction of two new class rooms in the School. I have not been able to recommen the application earlier as I had reserved no money for this purpose. Now that the Good shepherd Convent authorities have decided to defer the construction of the dining room for the Sacred Heart College and repairs to St. Agnes school (for which funds were sanctioned and reserved) until sanction can be obtained for a much bigger scheme, I am unable to find a sum of Rs.2000/- for the above construction. I have consulted the Correspondent and he has agreed to accept a grant of Rs. 2000/- instead of Rs. 3000/- applied for, without preferring a claim for the balance next year. The work being of an urgent nature, is already under construction, the Correspondent having agreed to proceed with the work at his own risk. The work will be completed this month so that the grant, if sanctioned, could be paid by the 31st instant. The acting warden drew my attention to the need of additional class rooms at the time of my inspectio and I endorsed his views in my report.

2. The plan and estimate were referred to the Executi

Engineer, Civil and Military Station, Bangalore, for scrutiny and have been returned by him with a few corrections in the rates which do not affect the question of the grant as the total cost will be about 3½times the grant that we give. I have therefore not returned them for revision, but am enclosing them herewith for your information and return.

3. In these circumstances I request you to be good enough to obtain the Hon'ble the Resident's sanction to the payment of a grant of Rs. 2000/- to the school out of the current year's budget provision under "Account II-Education-B.Secondary-Grants-in-Aid to non-Government Secondary schools-building and furniture grants". The necessary trust deed will be obtained from the Correspondent.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.
